Vision Plan Highlights

General Information

The Vision Care Plan Highlights provides a brief overview of the key features of the Choices Vision Care Plan. More detailed Plan provisions, including limitations and exclusions, can be found in the Choices Vision Care Plan Details. Information about your eligibility and that of your dependents, as well as information about enrolling in or changing coverage, can be found in the General/Administrative Information Plan Details. EyeMed Vision Care is the Vision Care Plan Service Administrator for the Johnson & Johnson Family of Companies.

To access the Plan Details, visit the For Your Benefit website at http://resources.hewitt.com/jnjbsc where you can access Your Benefits Resources™ (YBR).

How To Use The Plan

The Choices Vision Care Plan is designed to help you and your covered dependents pay the cost of certain necessary vision care expenses. The Vision Care Plan gives you the choice of accessing services In-Network or Out-of-Network.

- **In-Network Services** generally provides greater benefits and fewer out-of-pocket expenses. EyeMed Vision Care’s network consists of optometrists, ophthalmologists and retail chain providers. If you use a network participating provider, you should call for an appointment, identify yourself as an employee of the Johnson & Johnson Family of Companies, and provide your ID Card or the patient’s name and date of birth.

  After you make the appointment, the provider’s office will confirm eligibility and coverage amounts. Once services are rendered, the provider will submit a claim for services and will be paid directly by EyeMed Vision Care. You will be responsible for any expenses not covered under the Vision Care Plan in addition to any amounts over the Vision Care Plan maximums (See the “Vision Coverage At-A-Glance” chart included here or in the Choices Vision Care Plan Details for more information).

  To obtain a list of participating vision care providers, or to see if your current provider is participating in the network, go to the EyeMed Vision Care Web site at www.eyemedvisioncare.com/jnj. You can also call EyeMed Vision Care’s Customer Service Center at 1-866-414-2064 to obtain information about network providers or to see if there have been any recent changes to the network.

  In addition, the Vision Care Plan also provides a discount program for eye exams and eyewear once your plan benefits have been utilized for the calendar year. Please check with your EyeMed Vision Care provider or call the EyeMed Vision Care Customer Service Center to see if your provider participates in the EyeMed Vision Care discount program and to determine the discount available.

- **Out-of-Network Services** include the same type of expenses that are covered In-Network. However, Out-of-Network benefits and limits will apply if you receive services from any qualified doctor or eye care provider who does not participate in the EyeMed Vision Care network (See the “Vision Coverage At-A-Glance” chart included here or in the Choices Vision Care Plan Details for more information).

<td>No discount or coverage available</td>
</tr>
</tbody>
</table>

1 Discounts on non-covered service items are not available at some locations in the state of Texas. Contact EyeMed or the provider to confirm.

2 For exam, frame, standard lenses and contact lenses at Costco or Wal-Mart, reimbursement is equivalent to in-network benefits. For eligible reimbursement from Costco and Wal-Mart, as well as for out-of-network expenses, complete and submit a claim form and receipts to the address listed on the form. Additional savings not available at Costco or Wal-Mart locations.

3 The Choices Vision Care Plan covers one eye exam and one pair of eyeglasses (lenses and frames) or one eye exam and a supply of contact lenses (up to the contact lens Plan allowances) per calendar year per covered person. If the member chooses the contact lens benefit, they are also eligible to receive one eyeglass frame (no lenses) up to the Plan allowance.

4 Premium progressives or premium anti-reflective coating product brands within each tier are subject to change. For the most up-to-date listing, please call EyeMed at 1-866-414-2064.

5 Medically necessary contact lenses are determined at the provider’s discretion to correct extreme vision problems that cannot be corrected by spectacle lenses including certain conditions of anisometropia (unequal refractive power in the two eyes) or Keratoconus (a corneal protrusion that often can be corrected by contact lenses), High Ametropia (exceeding -10D or +10D in meridian powers) or Vision Improvement (other than Keratoconus for members whose vision can be corrected two lines of improvement on the visual acuity chart when compared to the best corrected standard spectacle lenses). You or your provider should contact EyeMed Vision Care before the purchase of contact lenses for the above conditions to obtain reimbursement details. An annual supply, as defined by the manufacturers’ replacement guidelines, will be 100% covered when using an in-network provider.

6 Laser vision correction discount is not part of the funded benefit. Discounts are available through the US Laser Vision network, which is owned by LCA-Vision.
Vision Plan Highlights

Filing Claims
You do not have to submit a claim form if you use a network provider. If you use a Costco, Wal-Mart or other non-network provider, you will need to pay the entire bill at the time services are provided and submit a completed claim form to EyeMed Vision Care. For services at all Costco and Wal-Mart optical locations, you’ll receive reimbursements equivalent to in-network benefits. However, additional savings discounts are not available at Costco and Wal-Mart.

Claims must be submitted no later than one-year from date of service. To obtain a claim form, log on to YBR.

Service Administrator Information
The Choices Vision Care Plan offers a nationwide network of both private practice vision care providers and retail chain providers through an insured arrangement with Combined Insurance Company of America and claims are administered by First American Administrators, Inc. EyeMed Vision Care provides the network of providers who contract their services at pre-negotiated fees.

To contact EyeMed Vision Care for Plan related questions, call the Customer Service Center at 1-866-414-2064. The EyeMed Vision Care representatives are available Monday through Saturday from 7:30 AM to 11:00 PM and Sunday from 11:00 AM to 8:00 PM Eastern Time. You may also access the EyeMed Vision Care Web site directly at www.eyemedvisioncare.com/jnj.
